

HKAI LAB

Hong Kong AI & Data Laboratory Limited (HKAI Lab), fully funded by Alibaba Hong Kong Entrepreneurs Fund and SenseTime, with support from Hong Kong Science and Technology Parks Corporation (HKSTP), Alibaba Cloud and Alibaba DAMO Academy, has started operation since September 2018. This not-for-profit initiative aims to nurture local artificial intelligence and data talents, boost development of technology in Hong Kong, and turn the city into a global hub for innovation and creation.

COMMUNITY

HKAI Lab is a platform for bringing together academics, scientists, and entrepreneurs in AI who are passionate about innovation and creating a better future. The Lab is focused on advancing the frontiers of AI with cutting-edge technologies and expertise, and empowering startups to develop and commercialize their new inventions. The Lab is dedicated to fostering a community of dynamic talents that will help build a vibrant culture of entrepreneurship in Hong Kong. We will run seminars, workshops and sharing sessions on AI to promote awareness, understanding and opportunities.

ACCELERATOR PROGRAM

HKAI LAB offers a six-month Accelerator Program that takes your startup to the next level.

We focus on empowering startups to develop and commercialize their AI inventions and technologies and we run two accelerator cohorts every year.

HKAI Lab offers several **key advantages** to selected startups, including:
