

## LiteX Limited

LiteX is a forward-looking legalTech startup focused on building products and solutions that are needed for the 21st century. We invent research tools that connect the dots and streamline the process for legal practitioners. At inception, we are expanding and acquiring talents dedicated to building next-generation solutions for the needs of the law industry.

### **About us**

LiteX is a LegalTech NLP startup on data extraction and intelligent analysis founded by a group of legal, business, and computer science entrepreneurs.

We are a search engine at the forefront of legal technology. Helping legal professionals find key facts at a glance, automated by state-of-the-art AI & NLP.

## **Legal Data Summer Associate (Paid Remote Summer Internship)**

### **Important remarks**

- Applications on a rolling basis
- Work availability: Immediate
- Work duration: 1-3 months

### **About the role**

The position offers an excellent opportunity to gain exposure in a highly dynamic environment within the legalTech industry. You will have a hands-on role within our legal team to train our legal annotation machine learning model, and how it interacts with court judgments.

## **Responsibilities**

- LegalTech market research in Asia-Pacific and US
- Data tagging and extraction of key case features from Hong Kong case law
- Hands-on legal drafting for business communications

## **Requirements**

- Studying towards or completion of LLB law degree
- Familiarity with reading and annotating Hong Kong case judgments
- Keen interest in LegalTech, AI, NLP and Machine Learning

## **Work Arrangement**

- Remote work duration flexible and negotiable (half-day to full-day)
- This position is paid and commensurate with experience
